

CARE AND SHARE (THANKS GIVING DAY)

“A grateful heart is a magnet for miracles”

A true saying which tells us the importance of being grateful for the little things and people that make our life beautiful and meaningful. Bringing this into reality, our children decided to say a big ‘Thank you’ to the helpers of our school as we celebrated ‘THANKS GIVING WEEK’

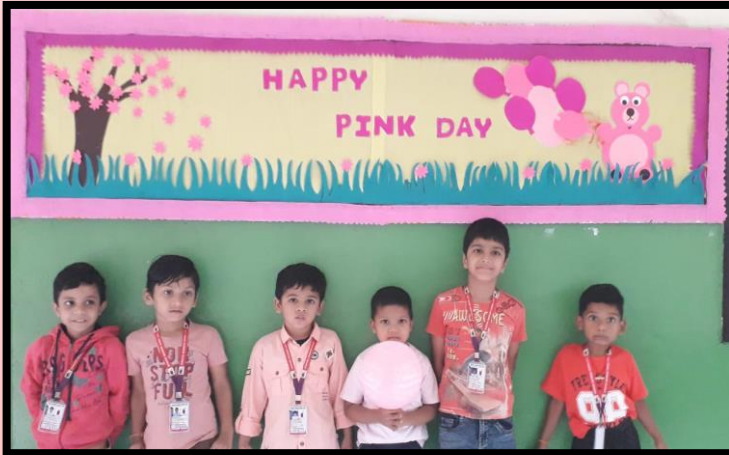

Children of pre primary presented a token of gratitude to all the housekeeping staff, drivers and security- A “Thank You note” greeting card activity was done by each student . Overall, it was a commendable gesture by our children as they spread the message of being thankful in the society.

PINK COLOUR DAY

Playfull pink-think pink.

Pink day was celebrated by the Pre Primary wing, school to acquaint the little buds with the concept of Pink colour. Dressed in different shades of pink ,the tiny tots of JGS added colour and vigour to the event. The young ones looked charismatic in their pink attire radiating love, beauty and kindness. Students were given a thorough understanding about pink colour through fun- filled activities. The activities helped in exercising their gross motor skills and simultaneously understood the aesthetic sense of pink colour very well. Thus the purpose of pink colour day celebration was successfully fulfilled

CHILDREN'S DAY

Blooming buds of JGS

Students celebrated Children's Day attired in vibrant outfits. They enjoyed the day by taking part in a plethora of activities. They participated in various art and craft activities. The teachers apprised the students of the life and work of Jawaharlal Nehru. To celebrate the day, teachers presented a group song, group dance and a skit. The students enjoyed various performances and played games. The teachers too made their day special by telling them about the importance of the day with a special handout as a token of love and affection.

Sci- Spectra- Science Exhibition Explore, Innovate, Inspire

Science Exhibition plays an important role in motivating students to exhibit their thoughts, to be inquisitive and think analytically. Science Exhibition was held in JGS, Nacharam where students prepared their models and related speech based on community helpers, english, maths, robotics, technology, ancient civilization, science, history, computer, dance drama etc. This ignited curiosity and enlightened inquiry based learning projecting intelligence amongst all.

CARNIVAL

Spread Happiness# A School Carnival is more than just a collection of rides and games, it's a community of joy and wonder. Families laugh together, students create bond over shared experiences, all creating unforgettable moments. It's a celebration of various skills, art, and games that come together in a vibrant display of unity and understanding. Our school had organized a Two Day Carnival at the school campus on 17th and 18th of November, the most awaited event for the year. The carnival was organized as an extended celebration of Childrens' Day Fest. It was a captivating event that aimed to celebrate and foster a sense of unity among students, teachers, and families. The carnival echoed in laughter and joy, and students tapped their feet with the flash mob which added energy to the fest.
