

Blue Color Day

“Kiddoo’s paint their moods in shades of blue “

Tiny Johnsonites celebrated Blue Day with excitement and passion. Blue is a colour which shows creativity and intelligence. All the students and teachers were dressed up in various tints of blue and the students were introduced to various shades of blue. An array of blue-colored objects such as an umbrella, ball, flowers, and so on were on display, allowing pupils to gain a comprehensive understanding of the hue and its significance. Blue Day was an amazing learning experience which had a long-lasting effect on every student.

Children enjoyed the activities with immense enthusiasm and zeal

CONCRETE SORTING

Sorting based activities are the ultimate way to bring playful learning explorations to the kids. Young children love grouping and sorting activities, so teaching students at the foundational stage can be fun and easy to integrate into their play. In this fun activity, The tiny ones sorted items based on the corresponding items which belonged to the given flash cards based on various topics. Sorting also develops reasoning and thinking skills in young children.

SANKRANTHI CELEBRATIONS

Happy Harvesting !!!

Makar Sankranti is celebrated in different parts of India, with different names and customs. Lohri is the name given to the festival in North India, Markara Sankranti in Karnataka and Andhra Pradesh, Magh Bihu in Assam, and Pongal in Tamil Nadu. Celebrating Sankranti helped children understand the significance of the festival and how it is celebrated. Celebration also guided them to appreciate the associated traditions. The harvest festival was introduced to children at JGS through a story that highlighted the significance of the festival. Children also participated in activities such as drawing kites, the sun, and pots, which they enjoyed colouring with different colours.

REPUBLIC DAY CELEBRATIONS

Tricolor fly high!

At JGS, to make the Republic Day extra special and inculcate patriotism among the kids, creative activities so the students can participate and understand the importance of this special day. Instilling a feeling of Nationalism from a young age is a vital responsibility of every teacher and parent. On this occasion children were dressed in tri color attire and they participated in an activity. Tricolor sandwich and the day ended with singing the patriotic songs. The students were also sensitized about the National Bravery Awards which are given to kids from all over India for their meritorious acts of bravery.

CIRCLE TIME (TRADITIONAL GAMES)

Unlock Your Potential !!

Hopscotch is a traditional children's game in which one or more players hop over a series of squares drawn on the ground. In India it is also called kith-kith, Tipri Pani in Maharashtra, Ekka Dukka in Bengal, Tokkudu Billa in Telangana. This game can be played for a short duration of time or a longer periods of time as the children become more physically and logically skilled in negotiating the squares. This game was played by children in school under teacher's supervision. Through risky, challenging play, children test themselves and find out their own limits. They learn how to deal with risk through play and can use these same skills later in life.

JAI KISAN VIRTUAL LEARNING

Hail the Farmer

Jai kisan "acknowledges the vital role that farmers play in providing food and sustenance to the nation. As Agriculture has been the backbone of India's economy, employing a large amount of people - Children of the school had a virtual tour on Jai Kisan(farmers) where they were shown their rigorous hardwork and tremendous dedication. Children did learn to show gratitude- being thankful for their sacrifice with a promise that they wont waste food as well.
