

## SANKRANTI CELEBRATIONS

**"Imagination is the highest kite that can fly, so throw your dreams into sky and fly like a kite".**

To encourage imagination, creativity among the young learners, students of Grade I & II delved into the festivities through a 'Kite Making Activity.'

Kite making is all about playing and having fun. Our students were involved with commendable enthusiasm and efforts of making their own kites using origami colour papers, glitters and crape papers. The activity took more of an informative approach, presenting stories that covered the history, global celebration, cultural significance, and environmental impact of Makar Sankranti. It was an exercise of joyful experience filled with zeal and fervor. Hence they were exemplified by doing, learning new kite making skills leaving the teachers awestruck by their creativity.

## NEW YEAR CELEBRATION

**Celebrate endings - for they precede new beginnings.**

New Year's Day at Johnson Grammar School was a festive celebration filled with enthusiasm and camaraderie. Students participated in various activities to welcome the promising year ahead. The day witnessed classrooms buzzing with creativity as students engaged in art and craft activities symbolizing their aspirations and resolutions for the upcoming year. Students did set a positive tone for the rest of the academic year. Overall, the New Year celebrations at school not only marked the beginning of a new chapter but also strengthened the sense of community and shared aspirations among students and faculty.

## REPUBLIC DAY CELEBRATIONS

" Freedom in mind, faith in words, Pride in our heart, memories in our souls, Let's salute the nation on Republic day "

To inculcate the spirit of patriotism and unity, Republic Day celebrations commenced for Grade I & II students by explaining the concept of Constitution of India and sacrifices of our freedom fighters. Students participated in a creative activity that involved TRICOLOUR palm printing. The art session aimed to foster a sense of patriotism and creativity among the students. The result was a collective artwork showcasing a colorful array of handprints, symbolizing unity in diversity. This engaging activity not only celebrated the spirit of Republic Day but also provided a hands-on, memorable experience for the students.

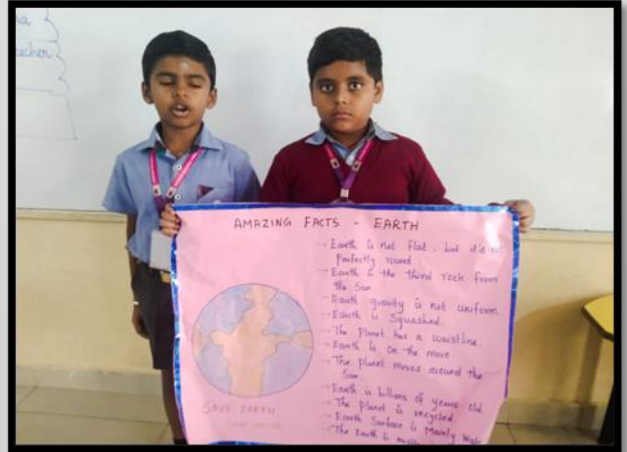

# PLANETS

## Exploring the universe, one planet at a time

Subject enrichment activity develops cognitive skills and confidence in the students. These words proved absolutely right when the students of Grade II were asked to prepare a model and speak few sentences about any one planet of their choice. Students participated with great zeal and enthusiasm. This learning activity encouraged them to express their point of view on how every planet tells a story.

The efforts and hardwork of the little Johnsonites were highly commendable. This activity proved to be a great learning experience for the students and gave them a platform to articulate with confidence.

## SEASON WHEEL

Students of Grade I participated in Seasons Activity as a part of Subject Enrichment Activity.

Students were asked to come in their favorite seasonal dress and speak few lines about it.

The students carried seasonal things like to present - umbrella, hat, juice, sweaters, sunglasses, gloves, raincoats. Teachers explained students about all four seasons which we experience around the year followed by few poems on Seasons.

The activity turned into celebration when students learnt about seasons in a fun-filled way.

## THE WONDERS OF NEW YEAR !!

Finally, to bid adieu to the year 2023 and welcome 2024 with open arms, Johnsonites of grade I and II expressed love for their teachers on New Year's eve by gifting them hand - made greeting cards.

The students gifted their creative cards to their teachers to let them know that their contributions are noticed and wishing them a Happy New Year. It was a truly gratifying experience for all. The beautiful cards and the lovely wordings filled the hearts of their teachers with joy. This activity aimed at exploring and encouraging creativity in students and giving them a platform to showcase their skill.
