BABU JAGJIVAN RAM JAYANTHI

The birth anniversary of Babu Jagjivan Ram, a prominent leader and a social reformer of our country, is celebrated in India on April 5th every year. Babu Jagjivan Ram played a crucial role in the Indian freedom struggle and was a part of the Constituent Assembly of India. On the occasion of Babu Jagjivan Ram Jayanti, Johnsonites paid tribute to the great leader by organizing a special assembly. The students highlighted his struggles and remembered the contributions of Babu Jagjivan Ram towards the betterment of Indian society and his unwavering commitment to social justice.

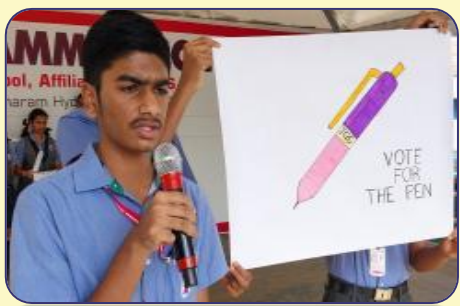

STUDENT COUNCIL

"Leadership is the capacity to translate vision into reality".

Investiture ceremony is an occasion where newly elected Prefectorial Body steps into the leadership role and takes an oath to deliver their duties promptly. To elect the student council, a written test was conducted for the aspiring candidates followed by the interview process. The nominated candidates campaigned for the upcoming school elections and left no stone unturned during campaign, making the election process difficult for the young voters. All the students were excited to use their right as democratic Johnsonites for casting their votes.

HEAD BOY'S SPEECH

"Leadership is the art of giving people a platform for spreading ideas that work."

I have been admiring this esteemed institution since my primary school for the varied opportunities provided. Being the Head Boy, my main goal is to create a safe, inclusive and nurturing environment to all of us. I believe that each one of us has the potential to make a difference in the world, and it is our responsibility to unlock that potential. I promise to work tirelessly to ensure that our school remains a beacon of excellence in academics, sports and cultural activities. I take the pride and honour of representing the school and I shall carry forward its legacy as the school representative for the academic session 2023-24. Let us travel together as a team and work in union to keep our school flag flying high.

HEAD GIRL'S SPEECH

"A leader is the one who knows the way, goes the way and shows the way."

I would like to extend my sincere gratitude for believing in me and I shall lead the student body with complete transparency and honesty. The school has been always encouraging me to take up new challenges for the last 10 years, which definitely had a significant impact on my holistic growth. It is certainly a great honour and privilege to be bestowed with this responsibility. Being a Head Girl is not just about the position or the title but it is about the action that can make a difference. I stand here as a leader not just to lead the students but to work in collaboration with all my peers to achieve the best for our school. I assure to work hard with zeal, sincerity and determination to reach the next beyond the best. I will keep up the school's motto "Raise the Standards" and always strive for perfection in all my actions.

Ambedkar Jayanti is celebrated on April 14 every year to mark the birth anniversary of Bhimrao Ramji Ambedkar, the architect of the Constitution of India. A special assembly was conducted on 13 April, 2023 to pay tribute to the great leader. Students delivered speeches highlighting his struggles and the extraordinary work. Some Students enacted a play on the life of Dr.B.R. Ambedkar showcasing his achievements and contributions to our Indian Constitution. This special assembly motivated Johnsonites to follow Dr Ambedkar's footsteps and inculcate his values in their lives.

INVESTITURE CEREMONY

"Students of today are the torch bearers of tomorrow."

A memorable Investiture Ceremony was organized at Johnson Grammar School CBSE, Nacharam with a great pomp and dignity on 17 April 2023 to inculcate a sense of responsibility and commitment among the students. The ceremony commenced with the warm greetings from the Director Mr. B. Suresh. The event was presided over by Mr.B.Jayanth Sai, our Special Guest and Alumni.

The Investiture Ceremony signifies the reliance and confidence the school consigns in the newly elected Student Council. Donning the mantle of accountability, prefectorial body members pledged to perform their duties to the best of their abilities. They were conferred with badges and sashes by the Special Guest Mr.B.Jayanth Sai, the School Academic Director Ms.Lakshmi Viswanathan, the Principal Ms.Divya Sharma and the Headmistress Ms.Sophia. The Head Boy Master D.Vikranth and the Head Girl Miss J.Divya delivered their speeches after being bestowed as leaders.

WORLD HERITAGE DAY

"The heritage of the past brings forth the harvest of the future."

World Heritage Day is celebrated on April 18 every year to ensure the protection of national and cultural heritage and provide any assistance for the heritage sites in danger. Monuments and ancient creations are an asset to humanity and important heritage of the country. With a motto to impart knowledge on the conservation of Heritage Sites and make the students aware of the risks related to natural and unnatural disasters, "Heritage and Tourism Club," organized a power point presentation, speeches and discussions on the eve of World Heritage Day

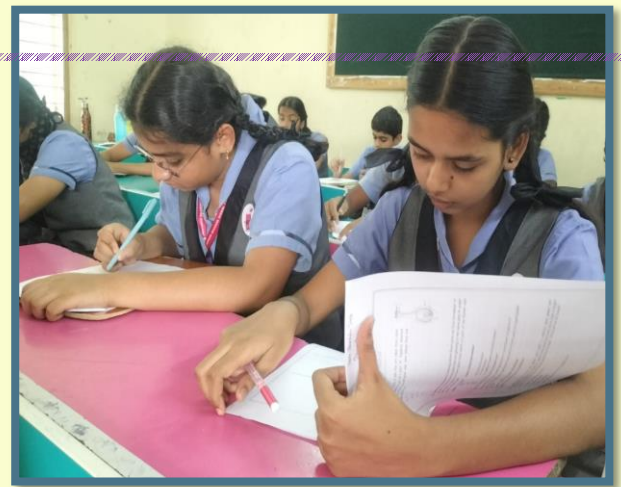

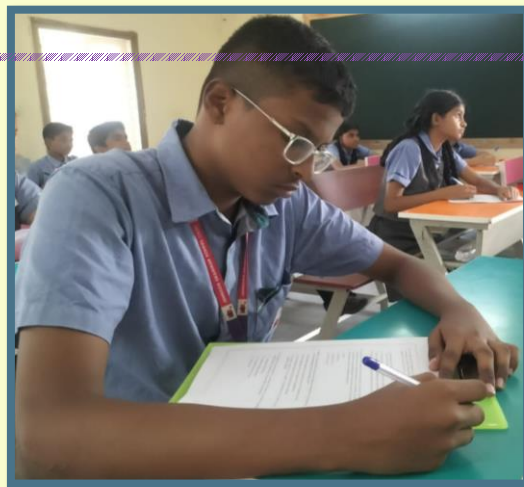

DIAGNOSTIC ASSESSMENT

A Diagnostic Assessment is a sort of pre-evaluation that allows teachers to discover the knowledge of a student on a particular subject-matter. In other words, it is used to gauge the level of students' knowledge and to discover their learning styles. One of the most important benefits of Diagnostic Assessment is that it helps teachers to streamline their course content and pedagogical practices accordingly. Diagnostic Assessment was conducted from 18 April 2023 to 21 April 2023 for the students of Grades VIII to X. All the students have written the assessment very ardently.

SCIENCE CHALLENGE TEST

Science is inexplicably linked with our lives and helps us to understand the world around us better. By engaging with science, students learn to think, solve problems and make informed decisions. As an initiative to generate curiosity, enquiry and higher-order thinking amongst the learners, we have organized CBSE Science Challenge - First round test for students of Grade VIII to X. The task for participating students would be to focus on speed and accuracy. Students enthusiastically participated in the test and also shared their feedback.

EARTH DAY CELEBRATION

"Earth Day" is observed on April 22 every year to draw people's attention on environmental protection. Johnsonites celebrated 'Earth Day' on 20 April 2023 to remind the students of their duties towards 'Mother Nature.' As a part of environmental education, "Go- Green" initiative was taken up by our Johnsonites to support the theme "Invest in Our Planet".

A Special Assembly was conducted in school and students took an oath on "Earth Day" to protect the earth from pollution. Mellifluous songs were sung, motivating speeches were delivered and Inspiring quotes were presented by the students. A myriad of activities like preparing "Best out of Waste", presenting eye-catching posters and participating in a rally to spread a message of awareness to save Earth, were conducted. Let's all work together to protect our planet and make it a peaceful place to live.
