SAFER INTERNET DAY 'Let's Raise Awareness and Lower Cyber Risks'

Usage of internet must be safe. People should be aware of cybercrime and take measures for a safer internet.

Every year Safer Internet Day is celebrated in the month of February to bring awareness among all the students. They highlighted the importance of this day through a skit and presentation. They have also displayed the usage of different networking sites. Students understood how internet plays a vital role in our daily lives and how the whole world is dependent on the internet. Cyber security is essential in digital world as individuals rely heavily on technology to store, process or transmit.

NATIONAL SCIENCE DAY

'The essence of science is independent thinking, hard work and not equipment'-
C V Raman.

As a part of National Science Day celebration, a special assembly was conducted by the students of grade VI and VII. The theme of the assembly was 'Indigenous Technologies for Viksit Bharat. National Science Day is celebrated annually to honour the discovery of 'Raman Effect' by the great Indian Scientist Sir Chandrasekhara Venkata Raman.

The students were dressed up as famous Indian Scientists as they, presented a role-play highlighting the major contributions of Indian Scientists towards Science and Technology. They even recited a melodious poem conveying the importance of science in our lives. The main objective was to raise awareness of the importance of science and its applications among people. Overall, it was a wonderful informative assembly.

TIME MANAGEMENT

"Time management is all about life management."

Effective time management is crucial for preparation and balance. The morning assembly at JGS by grade VI students highlighted the significance of time management prioritizing tasks, setting immediate goals, and creating a right schedule. The students shared some vital tips to be followed during the examinations eliminating distractions and to stay focused. The assembly was a great reminder for boosting the exam spirit and fostering a positive approach to all the students.

TAJ MAHOTSAV

'A historical monument is not merely a relic of the past but a symbol of our future'. Taj Mahotsav holds a unique significance by being organized in the vicinity of Taj Mahal. This mega festival finds a prominent place in the calendar of annual events of Ministry of Tourism, Government of India.

Students of JGS participated in a special assembly on the occasion of Taj Mahotsav. Johnsonites presented a skit followed by a speech about the legacy of Taj Mahotsav where they highlighted its importance and showcased the historical significance and vibrant exposition of India's rich art and culture. It was admired and cherished by everyone.
