October 2023

Our dear Bapu Ji !!

“Knowledge gained through experience is far superior and many times more useful than bookish knowledge “.

Gandhi Jayanti is celebrated every year on **October 2nd** to commemorate the birthday of Mahatma Gandhi. The day is also observed as the International Day of **Non-violence** by the United Nations. It is a day of remembrance and reflection on the life and teachings of Mahatma Gandhi. It is an opportunity to celebrate his legacy of peace harmony and non-violence.

On this day Our **Grade III Johnsonites** showed great interest and enthusiasm made innovative and creative greeting card with tri- Colour to indicate **strength, courage, peace and truth**. The nation honours the greatest hero, who battled for millions of peoples rights and liberated India from the British Empire.

KID'S DAY OUT!

As the sun was out and shining and the weather was getting pleasant it was the best time for a picnic under the clouds for our 'Grade III' Johnsonites.

Picnics are the best way to spend some quality time with friends and teachers, Picnic was planned on 10th of Oct '23 for our little ones, at the venue Shilparaman Park. On the day of picnic our energetic kids came all ready with goggles, caps, juices, crunchy chips etc.

Everyone enjoyed visiting the famous crafts and sculpture village, life-sized huts which were authentically constructed out of baked clay and thatch, visited the depict rural tribal. It was a fun filled day !!

GRACE OF MOTHER NATURE !!

Bathukamma is a vibrant and culturally rich floral festival celebrated predominantly in the Indian state of Telangana. The name "Bathukamma" is derived from two words: "Bathuku" meaning "life" and "Amma" meaning "mother," signifying the celebration of the essence of life and the worship of Mother Nature. The students of Grade III enthusiastically participated in the celebrations. The festival continues to thrive and evolve, resonating with the values of gratitude, unity, and reverence. The students were dressed in traditional attire and they danced to the folk lore of Bathukamma and created a vibrant atmosphere in the school. The school campus of JGS echoed with the festive celebration bringing happiness and joy in the hearts of each and everyone.

A CREATIVE SKILL !!

'Every piece of fruit carved from a tree is a blessing.'

Fruit carving, often known as fruit sculpting or fruit art, is a type of fruit carving, is an enthralling culinary art form that turns simple fruits into spectacular works of beauty.

As a part of CCA students of Grade IV and V carved the fruits creatively, they blended culinary expertise with creative imagination. Their portrayal of creativity and presentation of their work is the token of their victory in this activity. Our budding creative minds manifested exquisite carving of simple fruits and vegetables using their own creativity.

THE FLOWERS AND FOLKLORES!!

Bathukamma is a colourful and one-of-a-kind cultural event celebrated with zeal in the Indian state of Telangana. As a component of CCA, pupils in grades IV and V, built exquisite Bathukammas with tremendous enthusiasm with a wide range of flowers. The Johnsonites enthusiastically participated in the activity by arranging the colourful flowers in different rows and playing around it by singing different kinds of songs related to the festival.
