

## LEARNING THROUGH COLOURFUL DOTS! (Abacus Activity)

"Numbers may sometimes seem complex, but their solutions can be wonderfully simple."

The concept of place value has always been a creative and lively topic taught through fun and hands-on learning. Grade II students enthusiastically participated in a vibrant Bindi Abacus Activity. The objective was to creatively represent numbers using colourful bindis on a paper abacus, focusing on the Hundreds, Tens, and Ones places.

With vivid paper cut-outs and vibrant bindis, students illustrated numbers like 245 and 631, transforming a standard math lesson into an engaging craft-based exploration. The joyful process of carefully placing each bindi in the correct column not only captured their attention but also deepened their understanding of place value playfully and interactively.

This activity beautifully blended visual learning with creative expression, boosting students' numerical confidence while making the world of numbers both accessible and exciting. Truly, it was a colourful and clever celebration of math!

## SAFETY FIRST IS SAFETY ALWAYS

**"Fire drills are not merely procedures – they are essential rehearsals that prepare us for real-life emergencies."**

As part of the SEA (Show and Explain Activity), students of Grades I and II actively participated in a Fire Drill Demonstration based on the theme "Safety and Alert." A mock scenario was thoughtfully set up using flame cutouts, ropes, and a fire extinguisher to simulate a real-life fire emergency.

During the activity, students practiced important safety techniques such as crawling low under simulated smoke, covering their mouths to avoid inhalation of fumes, and moving quickly yet calmly toward a designated safe exit. They were guided to remain composed, alert, and responsive in an emergency. The session was an engaging blend of fun and experiential learning, helping young learners grasp fundamental fire safety protocols through hands-on exposure. It reinforced the importance of staying calm, acting swiftly, and prioritizing safety at all times.

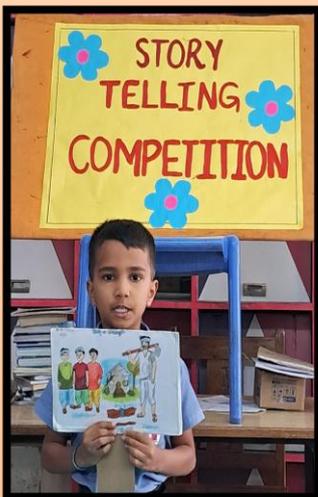

## Igniting Young Minds with The Joy of Literature!

**“Stories are memory aids, instruction manuals, and moral compasses.”**

Storytelling is a joyful and imaginative journey – and our Grade I and II students embraced it with enthusiasm during a vibrant storytelling competition! The event transported the children to a world of wonder, where their voices danced with creativity, expression, and rhythm.

With puppets in their hands and excitement in their hearts, our young storytellers brought their favourite characters to life, weaving enchanting tales with vivid imagination. A special highlight of the event was the creative explanation of their chosen characters, which added a personal and imaginative touch to each performance. This engaging activity was more than just fun—it was a celebration of language, creativity, and expression, thoughtfully designed to ignite a love for stories and reading in our budding learners. The participants were evaluated on fluency, confidence, and voice modulation, all of which they displayed with remarkable charm. The boundless energy and enthusiasm of the children made the storytelling competition a truly memorable and magical experience!

## FIELD TRIP FUN TO BHAGYA NAGARA NANDANA VANAM

**"Take only memories, leave only footprints."**

To blend experiential learning with the wonders of nature, our Grade I and II students embarked on an enriching field trip to Bhagya Nagara Nandana Vanam. Brimming with excitement and curiosity, our young nature enthusiasts set off to explore the lush green surroundings and immerse themselves in the natural world. The highlight of the trip was spotting graceful deer in their serene habitat, leaving the children wide-eyed with awe and fascination. A peaceful walk beneath the shaded canopy of trees offered students the chance to observe wildlife up close and learn about the delicate balance of ecosystems. The experience deepened their understanding of how animals live in harmony with their environment.

The picnic area soon echoed with joyful laughter as children shared snacks, engaged in playful games, and relaxed together under the gentle shade. Teachers played an active role in guiding students to be responsible nature lovers – emphasizing the importance of respecting wildlife and maintaining cleanliness in public spaces. This field trip not only provided a delightful break from routine but also inspired students to appreciate the beauty of nature and value wildlife conservation.

## DOCTOR'S DAY Superheroes in White Coats!

Doctors are real-life heroes who help us heal when we're unwell or injured. To honour their tireless service and dedication, our tiny Johnsonites enthusiastically celebrated **Doctors' Day** on **2nd July** within the school premises. The celebration aimed to express heartfelt appreciation for the invaluable contribution of doctors in safeguarding our health and well-being. A **mock hospital setup**, creatively arranged by our teachers, gave students a unique opportunity to step into the shoes of doctors. Donning white coats and equipped with toy medical kits, our young learners enthusiastically took on the roles of medical professionals, attending to their "patients" with care and compassion. This role-play activity was not only fun and engaging but also served as an interactive learning experience. Children learned about the responsibilities of doctors, the importance of healthcare, and how doctors play a crucial role in emergencies as well as in everyday life. The Doctors' Day celebration was a wonderful blend of **learning, empathy, and gratitude**, instilling in our young minds a deep respect for the medical profession and those who serve selflessly to keep us safe and healthy.

## GREEN TODAY, CLEAN TOMORROW

To commemorate Van Mahotsav – the festival dedicated to celebrating trees – students in Grades I and II brought potted indoor plants from home to adorn their classrooms and school corridors, transforming the space into a lush, green sanctuary.

The initiative aimed to foster environmental awareness and cultivate a sense of responsibility among young learners towards nature and sustainable living. Each child proudly brought a plant such as a money plant, aloe vera, spider plant, or snake plant. These were thoughtfully arranged in classroom corners, along windowsills, and on specially designed plant stands, adding not only aesthetic value but also a personal and educational dimension to the school environment.

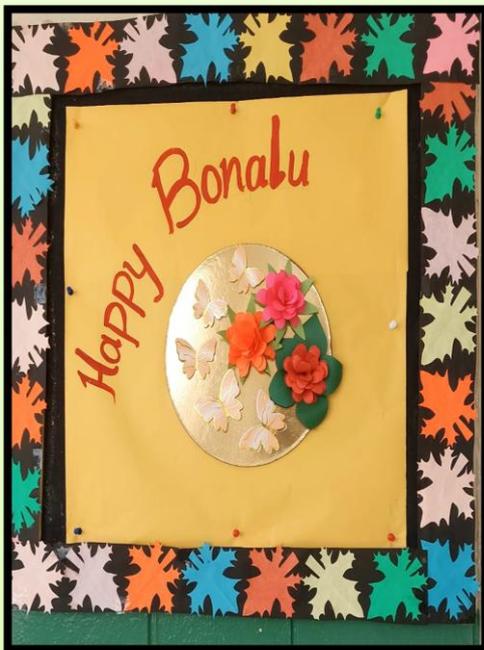

Teachers engaged students in enriching discussions on the significance of trees and indoor plants, highlighting their role in purifying the air, enhancing beauty, and creating a soothing ambiance. The activity infused the school with a fresh and vibrant atmosphere while deepening the children's emotional and ethical connection with nature.

## BONALU

"Embrace the diversity in celebration, it's the world's true beauty."

As part of the vibrant Bonalu celebrations, our Grade I and II students enthusiastically participated in a creative art activity centered around decorating traditional Bonalu pots. This engaging initiative aimed to deepen students' connection with their cultural heritage and promote awareness of regional festivals through the medium of art with great zeal, students illustrated and embellished the iconic Bonalu pots using crayons, colored pencils, and various craft materials. Their creativity and curiosity shone through as they explored the symbolic elements and rituals associated with the festival. The activity served as a hands-on learning experience, encouraging students to appreciate the rich traditions of Telangana joyfully and artistically. It was a memorable celebration that left a lasting cultural imprint on young minds.

## INTERNATIONAL TIGER DAY

### *"Roar for the Tigers".*

International Tiger Day was celebrated with great excitement and awareness-building activities. The celebration aimed to spread the message of tiger conservation and to instill a sense of responsibility in young minds towards protecting wildlife. This celebration was enthusiastically carried out by students of Grade I and II by creating painted tiger masks using paper plates, poster colours, and craft materials, showcasing their love and creativity for the majestic animal. A bright and colorful poster of a tiger was also displayed in the background, setting the tone for the event. Teachers explained the importance of the endangered status of tigers in our ecosystem and the urgent need to protect them from threats like poaching and habitat loss. This event was both enjoyable and meaningful, leaving the children with a strong message: **Save the Tiger, Save the Forest Together**, we roared for a cause – to protect our tigers and preserve our planet!
