## QUIT INDIA MOVEMENT

### "Quit India Do or Die"

The Quit India Movement, launched by Mahatma Gandhi on August 8, 1942, was a defining moment in India's struggle for independence. It ignited the spirit of unity, courage, and sacrifice, as people from all walks of life—students, workers, farmers, and leaders—rose with determination to free the nation from British rule. This historic struggle reminds us that freedom is not given, but earned through perseverance and sacrifice. The school assembly brought this milestone to life through a powerful speech that reflected on the hardships and resilience of our freedom fighters. Students gained valuable insight into the courage, unity, and determination that paved the way for our nation's independence.

## WORLD SANSKRIT DAY

संस्कृते जननी सर्वेषां भाषाणाम्” – “Sanskrit is the mother of all languages”

World Sanskrit Day is celebrated every year to honour the ancient language of Sanskrit, the mother of many Indian languages and a true treasure of knowledge. Sanskrit is not only the language of the Vedas, Upanishads, and great epics like the *Ramayana* and *Mahabharata*, but also a symbol of India’s rich cultural heritage. On this day, students presented a graceful dance performance and delivered a thought-provoking speech, highlighting the significance of Sanskrit and encouraging everyone to learn and speak the language, thereby keeping its legacy alive.

## JANMASHTAMI

**“Whenever there is a decline in righteousness, I manifest myself for the protection of the good,” said Lord Krishna.**

Janmashtami, the birthday of Lord Krishna, is celebrated with great devotion and joy in India. On this occasion, students presented a soulful song, a graceful dance, and a thoughtful play depicting the life and teachings of Krishna. The festival reminds us of the eternal values of truth, love, and righteousness that Krishna shared through the *Bhagavad Gita*. It inspires children to walk on the path of goodness, harmony, and devotion.

## COMMUNITY OUTREACH

**The best way to find yourself is to lose yourself in the service of others."**

Community Outreach helps students to understand the values of service, empathy, and responsibility. Through activities such as cleanliness drives, tree plantations, visits to old-age homes, and supporting the underprivileged, students learn to care for society beyond the classroom. During the assembly, they presented a thoughtful speech, inspiring slogans, and a meaningful performance, highlighting that true education lies in shaping responsible citizens who contribute to the welfare of others.

## RAKHI MAKING ACTIVITY

**"A bond of love is tied with a thread of protection."**

### TRICOLOR RAKHI MAKING ACTIVITY

**"The best way to thank a soldier is to live in peace and unity for the nation they protect."**

Our school celebrated Rakshabandhan with a creative Rakhi-Making Activity, where students designed beautiful rakhis using colorful threads, beads, mirrors, and decorative materials. The activity not only encouraged artistic expression but also emphasized the true spirit of Rakshabandhan - the bond of love and protection between siblings. Students participated with great enthusiasm, showcasing their talent and respect for tradition. Such activities nurture creativity, cultural awareness, and a sense of togetherness. The vibrant rakhis crafted by the students reflected both imagination and devotion, making the celebration truly memorable.

**ECO GANESH- BLESSINGS WITH NATURE'S TOUCH**  
**"Celebrate festivals with devotion, creativity, and care for nature."**

Our school organized a **Friendly Ganesh-Making Activity** to celebrate the spirit of Ganesh Chaturthi in an eco-friendly and creative manner. Students enthusiastically crafted idols of Lord Ganesh using clay, paper, and other natural materials, thereby promoting the idea of sustainability. The activity not only encouraged creativity but also spread awareness about protecting the environment from harmful chemicals used in traditional idols. It highlighted the importance of celebrating festivals with love, joy, and responsibility. The event was both enjoyable and educational, inspiring students to adopt eco-friendly practices in their daily lives.
