

FRIENDSHIP DAY

A friend is someone who makes it easy to believe in yourself

Friendship Day is a special occasion dedicated to celebrating the essence of togetherness and the unbreakable bond shared between true friends. To honor this beautiful connection, the Preprimary students of our school joyfully celebrated Friendship Day by exchanging badges of **Best Friend Forever**. Friendship forms the foundation of every relationship, transcending all boundaries while nurturing the values of love, care, and trust. This simple yet heartfelt gesture strengthened their bond of care, affection, and sharing, leaving behind memories of warmth and companionship.

RAKHI CELEBRATION

Rakhi is not just a thread; it's a promise of care, affection, and lifelong togetherness.

The spirit of Raksha Bandhan was joyfully celebrated in our school as the young ones came together to honour the sacred bond of love and protection between brothers and sisters. Our Pre-primary classrooms radiated festive cheer as little hands busily engaged in Rakhi-making activities. With boundless excitement, the children crafted colourful Floral Rakhis using eco-friendly materials, pouring their imagination and affection into every design. The celebration not only nurtured artistic expression but also instilled cultural values in our tiny learners, making the occasion a delightful blend of fun, learning, and tradition.

GRAND PARENTS DAY

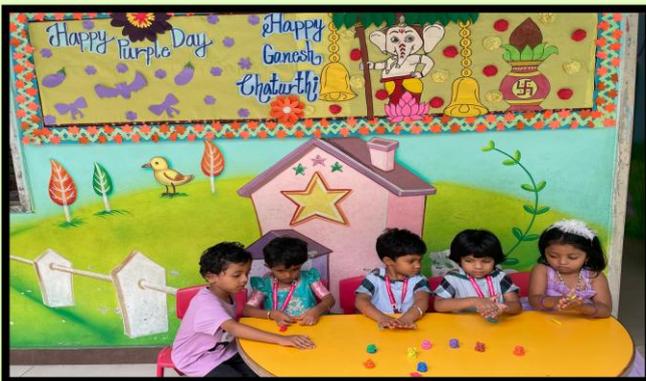

Grandparents Are A Delightful Blend Of Care, Love, Laughter, & Stories.

On the 30th of August 2025, our School joyfully celebrated Grandparents' Day with immense love and respect. The Pre-Primary children paid a heartfelt tribute to their grandparents by presenting beautiful dance performances and graceful anchoring, which filled the atmosphere with warmth and cheer. Adding to the charm of the day, grandparents enthusiastically participated in various fun-filled sports activities. Their vibrant spirit and cheerful smiles lit up the event, and many of them proudly won medals, creating memorable moments for all. The celebration was truly a blend of love, respect, and joy – an excellent program conducted by the school, leaving behind cherished memories for both children and grandparents. With heartfelt greetings, we express our gratitude to all the grandparents who made the day so special. Wishing all A Very Happy Grandparents' Day.

WITH A TOUCH OF PURPLE FOR OUR VERY OWN GANAPATI BAPPA MOURYA !!!

Our little ones celebrated Ganesh Chaturthi and Purple Day with joy and enthusiasm! They learned about Lord Ganesha's significance and enjoyed purple-themed activities, crafts, and games. Our little artists had a blast creating their own clay Ganesha idols! With squishy clay and creative minds, they moulded and shaped their very own Lord Ganesha. The activity encouraged their fine motor skills, creativity, and imagination. Each Ganesha was unique, reflecting the child's personality and style. We loved seeing the joy and pride on their faces as they showcased their creations! It was indeed a fun-filled day of learning and celebration.
