

WATER WISE : SMALL ACTIONS BIG IMPACT !

“Conserve water, conserve life.”

A "Save Water" poster-making event was planned as part of the English subject enrichment activity to raise awareness of water conservation and foster students' creativity. The participants created eye-catching posters that emphasised the value of saving every drop for a better future, complete with memorable phrases, illustrations, and deeper meanings. Through powerful messages, the activity improved their language skills while also showcasing their artistic expression. Teachers commended the students' efforts and emphasized that everyone has a responsibility to conserve water.

INTER HOUSE SINGING COMPETITION :

“Every song tells a story, and every note represents a victory.”

The Inter-House Singing Competition for grades III took place with great excitement. It gave students a chance to show case their musical talents. Participants from all houses performed songs that included devotional, patriotic, and popular music. The young singers impressed everyone with their clear voices, rhythm, and confidence. This reflected their hard work and preparation. The lively atmosphere buzzed with applause and cheer. The judges praised the participants' efforts and offered valuable feedback, making the event truly memorable.

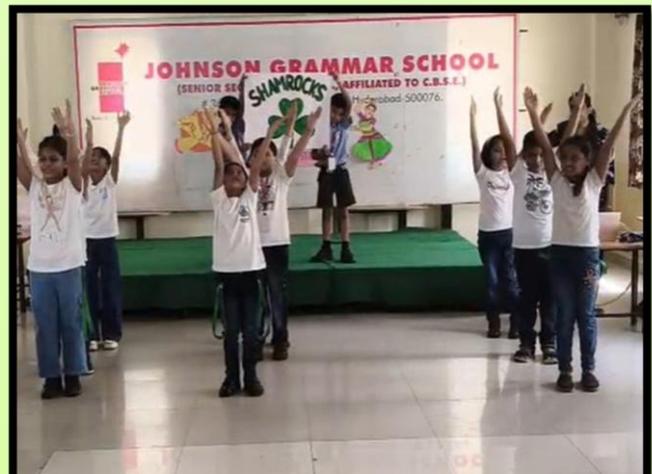

INTER HOUSE DANCE COMPETITION

“When feet move to a rhythm and hearts beat to music, dance is the language that brings us together.”

The highly anticipated Inter-House Dance Competition for grades III, IV, and V took place with much excitement. This event gave students a great chance to show their talent, creativity, and passion for dance. The stage burst with energy as participants from all the houses gave lively performances that highlighted their rhythm, grace, team spirit, and confidence.

Every house showcased a distinct theme and style, ranging from classical to contemporary, adding variety and charm to the competition. The young dancers impressed the audience with their expressions, costumes, and synchronisation. Their dedication and hard work shone through in every step they took.

TRICOLOUR RAKHI MAKING

“Tying Threads of Love in the Colours of the Nation”

Students of Grades III, IV, and V participated enthusiastically in a Tri-Colour Rakhi Making Activity held in celebration of Raksha Bandhan and Independence Day. The young learners used saffron, white, and green – the colours of the Indian flag – to create beautiful rakhis that reflected both creativity and patriotism.

The activity helped students understand the significance of the national colours while also celebrating the loving bond between siblings. With great excitement, they used eco-friendly materials, colourful threads, and decorative items to design unique rakhis that symbolised unity, love, and respect.

The classrooms were filled with joy, laughter, and the vibrant hues of the tricolour as students proudly displayed their creations. It was truly heart-warming to see such meaningful expressions of national pride from our young artists.

This activity not only encouraged creativity but also helped instill values of cultural heritage and national pride in the hearts of our students.

ROOTED IN SCIENCE , BLOSSOMING WITH KNOWLEDGE

"Where Science Meets Imagination!"

As part of their Science topic on "Roots and Flowers," the students of Grade IV took part in a fun hands-on activity that combined creativity with learning.

The young learners enthusiastically painted parts of a plant on fabric, using vibrant colours. This artistic approach helped reinforce their understanding of plant structure engagingly and memorably.

Adding more excitement, the students also designed their very own "Plant Buddy" using eco-friendly and craft materials. From googly eyes to colourful pots and paper leaves, each Plant Buddy had a unique personality, showcasing the students' creativity and grasp of the topic.

The activity not only deepened their knowledge of plant parts but also encouraged imagination, teamwork, and a love for nature. It was a delightful blend of science and art, where learning blossomed through hands-on experience.

EXPLORE , EXPRESS, CELEBRATE !

“Seven Sisters of North-East India”

Our Grade IV students took us on a memorable journey to the beautiful North-East India, known as the seven sisters. Each state is special with its own culture, tradition, food, dance, and natural beauty.

Students came beautifully dressed in their best costumes representing the state they chose, as it included traditional attire of each state, with symbolic props like shawls, hats, musical instruments, or handicrafts.

Students were witnessed not only dressing up but speaking a few lines on the state they were representing, as this builds their confidence, language skills, and effective communication.

Grade IV is a crucial stage for vocabulary growth. Speaking regularly helps in using correct grammar, pronunciation, and sentence structures. Strong communication skills are essential for leadership, problem-solving, and success in higher grades and beyond, and developing speaking skills helps students become confident communicators, better learners, and socially responsible individuals.

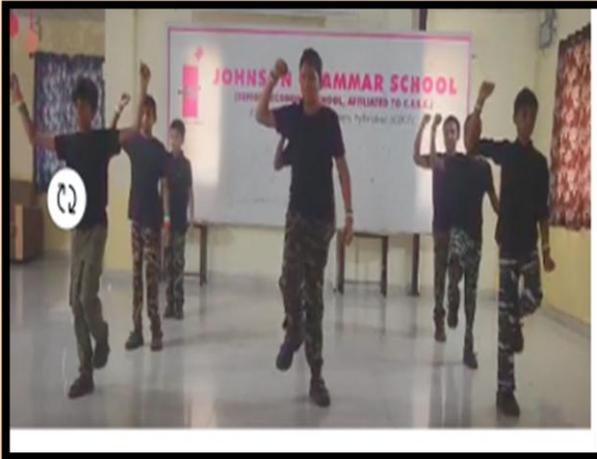

INDEPENDENCE DAY CELEBRATIONS

"Young Patriots Honouring the Nation."

The students of Grades IV and V had celebrated Independence Day with great pride and enthusiasm. The students participated in a drill that showcased discipline, teamwork, and coordination. Students then presented patriotic songs, which filled the atmosphere with energy and devotion for the nation. The tricolour spirit was reflected in their performances, and the celebration reminded everyone of the sacrifices of our freedom fighters. Teachers and students together felt proud to honour the nation on this special day.

The celebration inspired students to respect their country, follow the path of unity, and uphold the values of freedom and responsibility.

TELUGU BHASHA DINOTSAVAM ACTIVITY

“A nation’s freedom is written with the sacrifices of its brave hearts.”

The third-grade students took part in a Mono Action on Freedom Fighters. Grade IV poem recitation, Grade V Shloka recitation as part of the Telugu assignment. The purpose of the event was to teach kids about the contributions and sacrifices made by the great leaders who battled for our nation's independence.

Students dressed up as well-known freedom fighters, including Jawaharlal Nehru, Mahatma Gandhi, Bhagat Singh, Subhash Chandra Bose, and Rani Lakshmi Bai. Every child gave a confident performance, delivering strong lines that captured the bravery and commitment of these heroes. The performances were even more vibrant and motivational because of their attire and facial expressions.

The students' speaking and presentation abilities were enhanced by the activity, which also made them feel proud of and respectful of the country's freedom fighters.

HEALTH CHECK-UP

"Good Health Begins with Good Habits."

Our school had organized a health check-up for the students to promote awareness about healthy living. Doctors and nurses examined the children and guided them on proper hygiene, a balanced diet, and regular exercise. This helped students understand the importance of taking care of their health. Students gained useful tips on maintaining good health and promised to follow healthy habits.

ECO FRIENDLY GANESH

"Faith, festivity, and fun - Ganesh Chaturthi has begun!"

Our school joyfully celebrated Ganesh Chaturthi, the festival that marks the birth of Lord Ganesha – the remover of obstacles and the symbol of wisdom and prosperity. The celebrations began with the welcoming of Bappa in a vibrant and devotional atmosphere.

Our grade III students participated enthusiastically in preparing wall hangings of Ganesh Maharaj picture colourfully decorated using vibrant colours.

At the same time, our grade IV students were a special highlight, was the display of eco-friendly Ganesh idols made by our students, spreading the message of environmental responsibility and sharing the significance of the festival-reminding everyone that wisdom, humility, and devotion are the true paths to success.

Celebrating festivals in schools helps children understand their traditions, values, and heritage, builds a sense of pride and belonging in their culture, and, by celebrating together, children respect and appreciate different religions and cultures.

The day concluded with joy, unity, and the echo of "Ganpati Bappa Morya!", filling the school with festive spirit and positivity.

HINDI GARV BASHA SAMAN!

Speaking Hindi helps our children connect with India's cultural and linguistic identity. It builds respect for their matr bhāsha (mother tongue) and national pride.

Students used chart papers and wrote poems, proverbs, history, civics, and moral stories written in Hindi. They enthusiastically decorated their charts.

Students learn moral lessons like honesty, kindness, and patriotism in a simple way.

Hindi exposes children to stories, poems, songs, and festivals that reflect Indian traditions. It instils values like respect, unity, and togetherness. At this stage, children are developing reading, writing, listening, and speaking skills. Learning Hindi strengthens their ability to express themselves clearly and confidently.

Hindi is widely spoken across India. Knowing it helps children communicate with more people. It gives them confidence to participate in cultural events, elocution, and group activities. Learning Hindi strengthens their ability to express themselves clearly and confidently.
