

### CHRISTMAS CELEBRATIONS AT SCHOOL

**“Christmas is a season of joy, love, and sharing.”**

This timeless quote perfectly captured the essence of our vibrant Christmas celebration, which filled the campus with enthusiasm, festive cheer, and heartfelt warmth. The day began with melodious carol singing by students, their voices echoing messages of peace and goodwill. Energetic skits followed, creatively highlighting themes of love, kindness, and compassion through relatable stories and performances. The campus bloomed with festive decorations—twinkling lights, ornate Christmas trees, and handmade ornaments crafted by young hands—creating a magical backdrop for the festivities. Through these meaningful activities, students deeply understood the true spirit of Christmas, compassion, and unity. The program fostered a warm, joyful atmosphere, bringing together students, teachers, and staff in shared celebration and lasting memories.

## EMBRACING FRESH BEGINNINGS

**"Every new beginning brings new hopes and opportunities."**

In the spirit of renewal and positivity, our school organized a vibrant New Year-themed programme to welcome the upcoming year with enthusiasm. Students from across grades dove into a series of engaging activities, including resolution writing, interactive goal-setting discussions, and hands-on New Year greeting card making. These creative tasks sparked joy and introspection, as young minds penned heartfelt resolutions, envisioned ambitious goals, and crafted colourful cards brimming with good wishes. Reflecting on their personal growth from the past year, participants expressed optimism for what's ahead, fostering a sense of creativity, confidence, and community. The activity not only ignited excitement for 2026 but also instilled valuable life skills like self-reflection and perseverance. As students stepped into the New Year, they carried renewed hope and determination to make it their best yet.

## BLENDING CREATIVITY WITH NATURE

*"Creativity grows when art meets nature."*

In a vibrant celebration of eco-friendly artistry, our students immersed themselves in a Soil Mandala Art activity that beautifully fused creative expression with sustainable practices. Using natural soil, vibrant earthy pigments, and locally sourced materials, they crafted intricate mandala designs – symmetrical patterns symbolizing harmony, balance, and the cycles of life.

This hands-on session not only sharpened their concentration and patience but also ignited their imagination, transforming simple earth into mesmerizing works of art. Beyond the aesthetic joy, the activity fostered deep awareness about sustainability, encouraging respect for nature's resources and the importance of eco-conscious living. As Rabindranath Tagore wisely said, *"The highest education is that which does not merely give us information but makes our life in harmony with all existence."*

## HONORING A TIMELESS VISION

Founder's Day fills us with profound pride and heartfelt gratitude as we pause to remember and honor the visionary legacy of Sri S.R.N Mudiraj Sir. A leader blessed with remarkable foresight, unyielding determination, and an unwavering commitment to education, he laid the bedrock of this institution with the noble purpose of empowering young minds through exceptional learning and enduring values. Sri Mudiraj Sir firmly believed that education transcends the mere acquisition of knowledge—it is the forging of character, discipline, and purpose. His dream was to build an institution that cultivates academic excellence alongside moral integrity, responsibility, and self-confidence in every student. From its humble beginnings, this vision has blossomed into a revered center of learning, a testament to his tireless hard work, perseverance, and selfless dedication.
