

HEALTHY HABITS

“Healthy habits today build a stronger, happier tomorrow.”

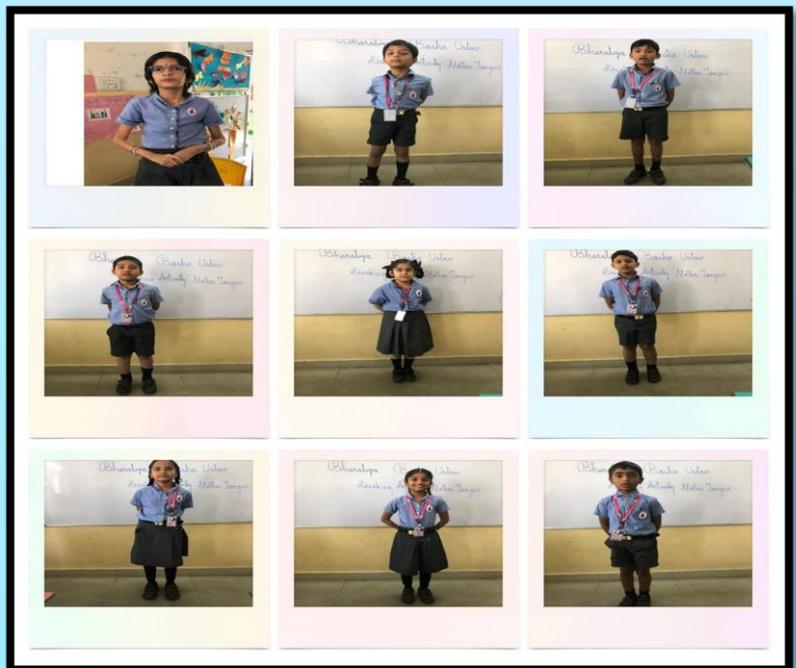

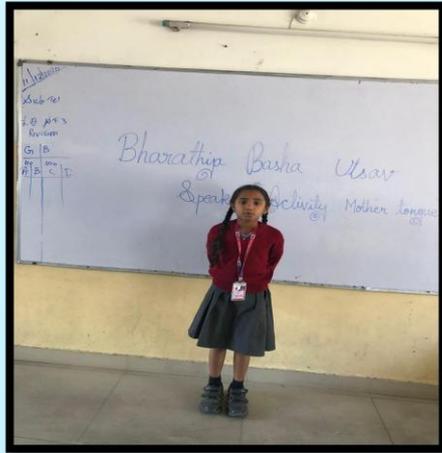

The students of Grade III D presented a meaningful and inspiring assembly on *Healthy Habits*, reminding us that true well-being comes from caring for both the body and the mind. They highlighted the importance of physical activities such as walking, playing outdoor games, and practicing yoga, which help keep our bodies strong and active. Equally important are healthy habits for the mind – reading good books, relaxing, and thinking positively – to stay calm, focused, and happy. The students also emphasized the need to avoid junk food and limit screen time, as these simple choices help us remain fit, energetic, and alert throughout the day. As the saying goes, **“Healthy habits today build a stronger tomorrow.”** Let us all take a pledge to practice healthy habits every day and inspire others by our actions. After all, a healthy child grows into a healthy citizen, and a healthy nation truly begins with us.

"OUR LANGUAGES ARE THE SOUL OF OUR CULTURE AND THE VOICE OF OUR IDENTITY."

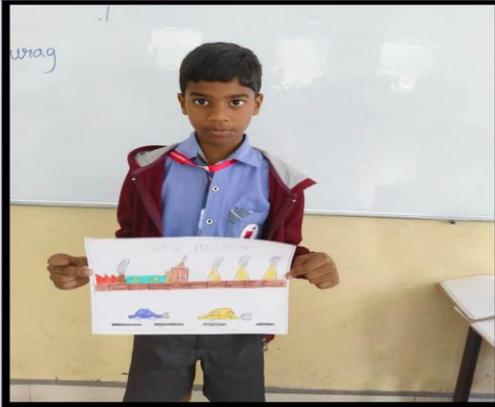

"Speaking in Bharatiya Bhasha keeps our culture alive and our identity strong".

The Bharatiya Bhasha Speaking Activity was conducted to encourage students to use and appreciate Indian languages with confidence and pride. Students spoke on various topics in their mother tongue or regional language, expressing their ideas clearly and creatively. The activity helped improve their communication skills, pronunciation, and public speaking confidence. It also highlighted the importance of preserving Bharatiya Bhashas, which reflect India's rich culture and traditions. Listening to different languages promoted unity, respect, and cultural understanding among students. Overall, the activity inspired students to value their linguistic heritage and actively use Bharatiya Bhashas in their daily lives.

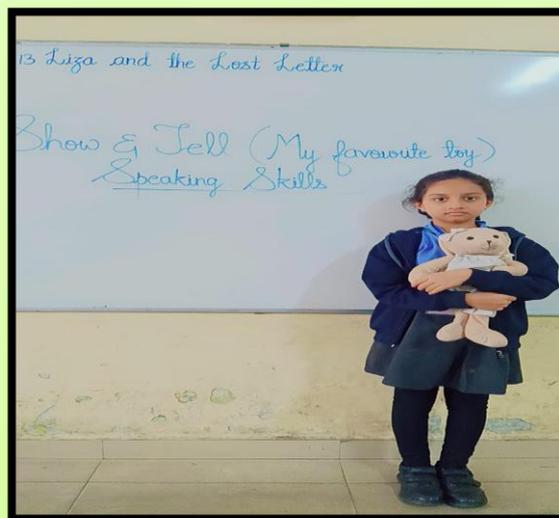

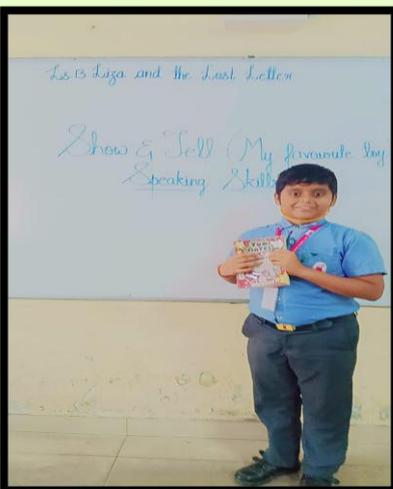

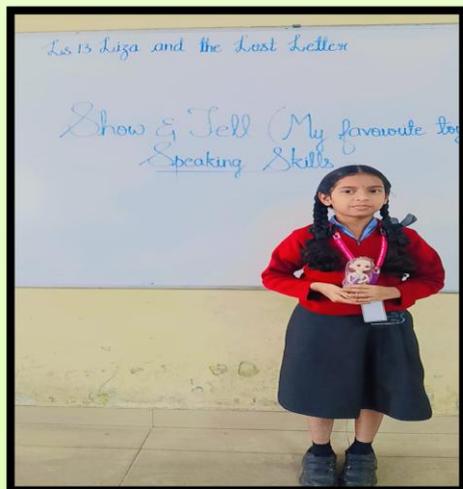

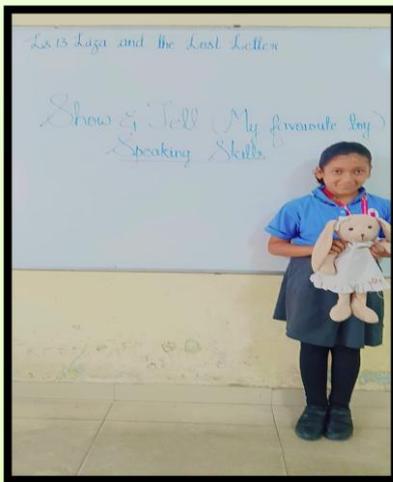

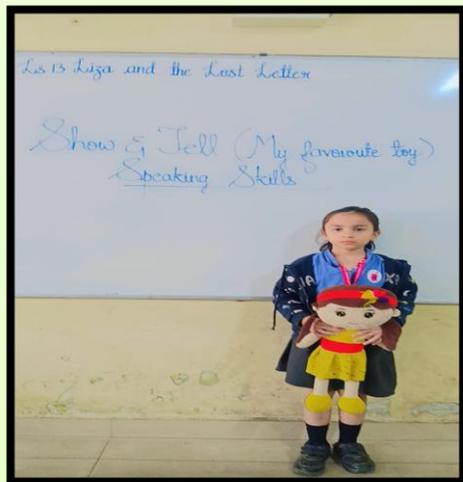

"POLLUTION PATROL: SAVING OUR PLANET!"

The oratory activity on Types of Pollution, helped students understand environmental issues while improving their communication skills. Students spoke confidently about air, water, land, and noise pollution, explaining their causes and effects in simple words. They shared examples such as vehicle smoke causing air pollution and waste thrown into rivers, leading to water pollution. The activity encouraged students to express ideas clearly and develop awareness about protecting nature. Listening to peers enhanced learning and confidence. Overall, the activity created environmental awareness and motivated students to reduce pollution by adopting eco-friendly habits in their daily lives, making learning both meaningful and interactive

STORY NARATION : LITTLE VOICES, LOVELY STORIES!

Our Grade IV students brought the classroom to life during this delightful LSRW speaking activity, where they eagerly shared tales of their favourite toys. Speaking confidently in the past tense, they recounted when they received their cherished playthings, described the fun ways they played with them, and revealed why each toy held a special place in their hearts – from a cuddly bear that offered comfort during bedtime stories to a speedy toy car that sparked endless adventures. **This engaging session not only honed their listening and speaking skills, as they attentively absorbed their peers' stories and articulated their own ideas with clarity, but also fostered confidence, creativity, and pure joy in every participation. As Roald Dahl beautifully captured, "Those who don't believe in magic will never find it." In their little voices, we witnessed the magic of storytelling unfold.**

FOUNDER'S DAY "Honouring Roots with Gratitude"

On Founder's Day, our students paid heartfelt tribute to our esteemed Founder Chairman by respectfully offering flowers – a poignant gesture of gratitude and remembrance. The solemn ceremony beautifully embodied the school's enduring values and rich traditions, instilling a profound sense of respect and pride in every participant. Through this meaningful act, students gained a deeper appreciation for the visionary leadership that laid the strong foundation of our institution. Ultimately, they cultivated reverence for our heritage, core values, and exemplary leadership, while embracing the timeless virtues of gratitude and remembrance.

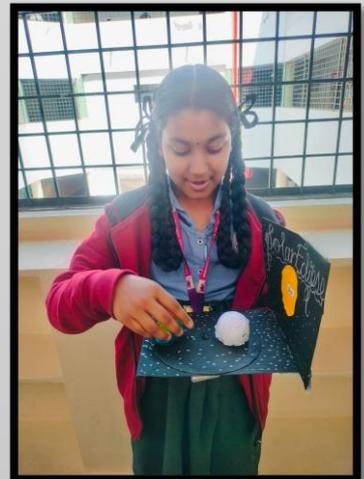

CREATIVE GARDENS, CARING MINDS

Grade IV and V students enthusiastically participated in the My Soil Garden activity. They brought soil pots along with artificial leaves, grass, animals, and plants to create colourful model gardens. Using these materials, students designed attractive displays and spoke about the importance of soil in supporting plants and living organisms. The activity encouraged creativity, hands-on learning, and environmental awareness engagingly and joyfully. Students developed creativity, understood the role of soil, enhanced observation, teamwork, and presentation skills.

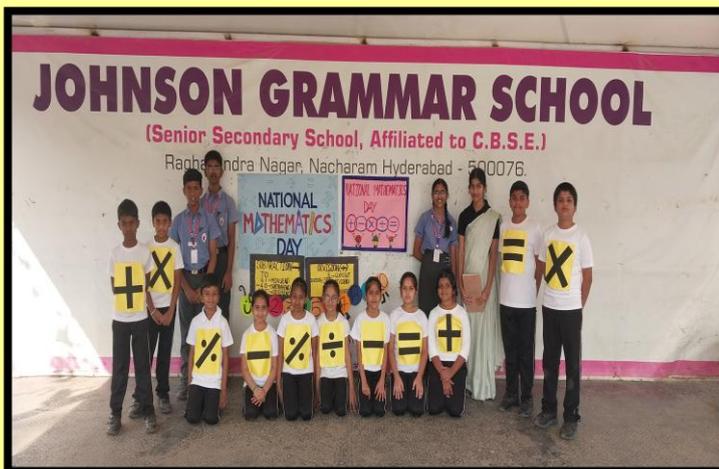

SCIENCE IN MOTION, LEARNING IN ACTION

Our Grade V students enthusiastically participated in the activity on Solar and Lunar Eclipses. They creatively made models using simple materials to show the movement of the Sun, Earth, and Moon. Students confidently spoke about how each eclipse occurred, explaining the concept clearly. The activity encouraged hands-on learning, improved scientific understanding, and strengthened speaking skills while making the learning experience engaging and meaningful, and students developed conceptual clarity, creativity, confidence in speaking, and presentation skills through experiential learning.

NATIONAL MATHEMATICS DAY "Where Numbers Came Alive On Stage"

On the occasion of National Mathematics Day, students presented an engaging Math Assembly filled with creativity and confidence. Through energetic dance performances, thought-provoking skits, and a role play on the life of Srinivasa Ramanujan, learners showcased their understanding of Mathematics. Students also spoke about the importance of math in daily life, connecting numbers to real-world situations. The assembly transformed mathematics into an enjoyable and meaningful learning experience. Students enhanced confidence, creativity, teamwork, communication skills, and appreciation for Mathematics in everyday life.

CHRISTMAS CELEBRATION

Johnson Grammar school celebrated Christmas on 23rd Dec '2025, A special assembly was conducted with the same spirit of Christmas vibes as this festival that brings joy, hope, and kindness to people all around the world.

School stage was vibrantly decorated with stars and jingle bells hanging, Christmas tree was put, a special skit was done by children showcasing the nativity of the birth of Christ, students melodiously sang Christmas Carol's and special dance was performed by them in various languages.

The whole school gathered for Christmas Celebration on the school ground in the cosy morning as Christmas is not just about decorations, gifts, and celebrations – it is about sharing, caring, and bringing happiness to others. It reminds us to be grateful for what we have and to help those who are in need. Even a small act of kindness, like a smile or helping a friend, can make a big difference. Not but the least as the celebration came to an end there arrived our most awaited guest "Santa" dancing all the way and he was found making merry throughout the day.

The gathering was addressed by our Principal Ma'am giving us the message to be kinder, more understanding, and more helpful not just today, but every day.

“KIND HANDS CREATE CHANGE”

On the occasion of Thanksgiving Day, the students of our school organized a meaningful visit to an old-age home as an act of gratitude and service to society. The visit aimed to spread love, respect, and happiness among the elderly and to help students understand the importance of caring for senior citizens. The students carried essential items such as food supplies, detergents, toiletries, and daily-use necessities, which were contributed to the residents of the old age home. They also spent quality time interacting with the elders, listening to their life experiences, and sharing smiles and conversations. Some students sang songs and conveyed messages of love and appreciation, which brought joy and warmth to everyone present. The visit was a touching experience for the students, as it taught them valuable lessons about gratitude, empathy, and social responsibility. It reminded everyone that even small acts of kindness can make a big difference in someone’s life. The residents of the old age home expressed their happiness and gratitude for the students’ thoughtful gesture. The visit truly reflected the spirit of Thanksgiving—being thankful and giving back to the community. The students returned with happy hearts, enriched by the experience and inspired to continue helping others.

CHEERS TO A BRIGHTER YEAR AHEAD!

As Johnsonites gathered on 31 Dec' 2025 for a special assembly presentation in the school premises performed by our Grade II students, theme was "New Year".

Students performed a dance showcasing different traditional celebrations throughout the calendar year, a skit was performed "jaduai pittara" where student dressed as clock and chits were picked which had the months name written highlighting the events celebrated as per our school handbook, Grandparents day, Founders day, Science exhibition, Annual day, Kalagyan Smriti and Anusuya Trophy.

To welcome a new year filled with hope, opportunities, and new beginnings. The New Year reminds us that time keeps moving forward, and with it comes a chance to improve ourselves and aim higher.

As we look back at the past year, we remember the lessons we have learned. There were moments of success that made us proud and challenges that taught us patience, courage, and resilience. Each experience has helped us grow not only academically, but also as individuals.

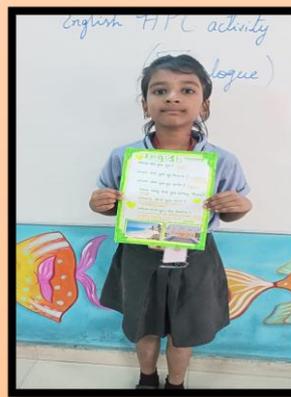

A MEMORABLE JOURNEY!

Our Grade IV students participated in English activity "Travelogue".

A travelogue activity is an exciting way to explore new places, learn about different cultures, and express our experiences creatively. Recently, our grade IV students participated in English travelogue activity that allowed students to share their journeys and adventures with everyone. Students were informed prior in advance to make a chart or paste the picture of the places they have travelled and build beautiful memories.

In this activity, each student was encouraged to describe a place they had visited. They wrote about the journey, the sights they saw, the food they tasted, and the people they met. Some students included sketches, photographs, or even small souvenirs to make their travelogue more interesting and engaging.

The activity helped to develop important skills such as observation, writing, creativity, and presentation. It also gave an opportunity to learn from each other's experiences. Listening to different travel stories made them curious about new places and inspired us to explore the world around us.

“NEW YEAR, NEW BEGINNINGS, ENDLESS POSSIBILITIES.”

This handmade New Year greeting card is a wonderful creation by students, showcasing their creativity, effort, and personal touch. Each card is carefully designed and decorated, reflecting the unique ideas and artistic skills of the students.

The cards often feature colourful designs, hand-drawn illustrations, and thoughtful messages, symbolizing hope, happiness, and positivity for the year ahead. By making these cards, students not only express their good wishes but also learn the value of patience, teamwork, and creativity. These student-made cards are more than just paper – they carry warmth, sincerity, and the joy of giving. They serve as a perfect way to spread cheer, friendship, and heartfelt wishes for a bright and successful New Year.
