

SANKRANTI CELEBRATIONS

"Festivals teach us culture, creativity, and the joy of togetherness."

The students of Grade VI & VII celebrated Sankranti with vibrant enthusiasm and cultural pride. Dressed in colourful traditional attire, the campus came alive with festive spirit and joyful energy.

Activities for students, such as rangoli and kite design, were complemented by insights into the cultural significance, and environmental values of Sankranti, making the celebration both meaningful and memorable. The students' creativity and participation truly made the event a festive success.

EXPERIENTIAL LEARNING ACTIVITY - MATHEMATICS

“Mathematics comes alive when learning rotates around creativity and understanding.”

In alignment with experiential and competency-based learning approach, the students of Grade VII actively explored the concept of Rotational Symmetry through a creative, hands-on activity. Students constructed models such as windmills, starfish, Ferris wheels, and five-petaled flowers to practically identify the angle of rotation and order of rotation.

The activity enabled learners to visualize rotational patterns, strengthen conceptual clarity, and apply mathematical knowledge in real-life contexts. It also fostered critical thinking, creativity, and problem-solving skills, transforming abstract concepts into meaningful learning experiences.

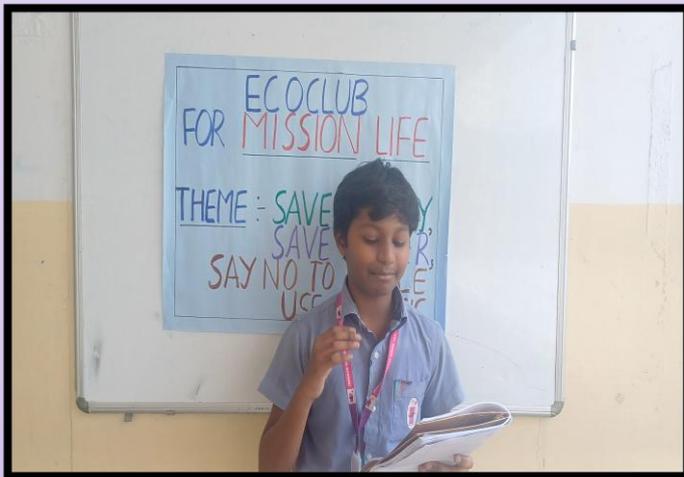

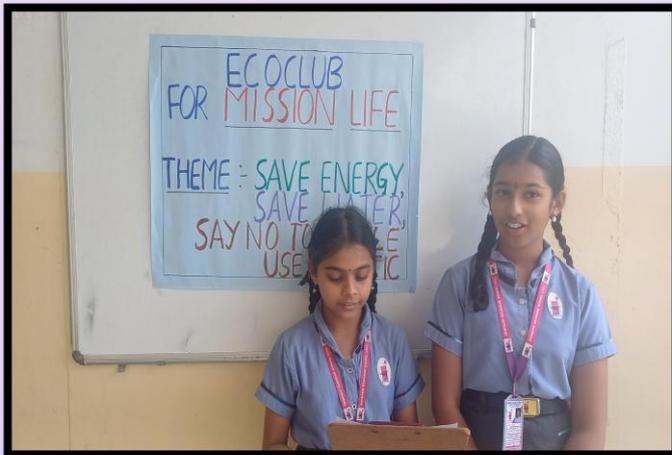

ECO CLUB ACTIVITY - RAP PRESENTATION

"Voices raised in rhythm can spark change."

The students of Grades VI and VII presented an innovative rap performance as part of the Eco Club activities, spreading awareness on environmental protection and responsible use of resources. Through powerful lyrics and rhythmic expression, students highlighted issues such as plastic pollution, conservation of nature, and sustainable practices.

The rap presentation effectively blended creativity with awareness, enhancing students' communication skills, confidence, teamwork, and environmental sensitivity. The activity successfully conveyed strong eco-friendly messages engagingly and memorably.

REPUBLIC DAY CELEBRATIONS

“Unity in diversity is the strength that binds our nation together.”

On the occasion of the 77th Republic Day, Johnson Grammar School celebrated the day with great patriotic fervour and enthusiasm. The celebrations commenced with the hoisting of the National Flag, followed by the singing of the National Anthem, symbolising unity and national pride.

The 77th Republic Day celebration featured a series of well-planned and meaningful programmes that reflected the true spirit of the nation. The events included an impressive march past, a colourful State Parade, and patriotic songs. Each state presentation highlighted its unique culture, traditions, and artistic expressions, helping students and spectators appreciate the rich diversity that makes India strong and united.

The celebration served as a moment of reflection on the values and principles enshrined in the Indian Constitution. The day was observed with great emotion, respect, and pride, making it a memorable and inspiring experience for all.
